

Laporan Tugas – CouchDB

Nama : Rizqi Rohmatul Huda
Kelas : 2G – TI
No.Absen : 26
NIM : 2141720264

Instalasi CouchDB

The screenshot displays the CouchDB web interface in a browser. The top section shows the raw JSON response of the CouchDB welcome page, which includes version information and features. The bottom section shows the 'Databases' management interface, which includes a table of databases and a sidebar with navigation icons.

Database name

Name	Size	# of Docs	Partitioned	Actions
------	------	-----------	-------------	---------

Showing 1–0 of 0 databases. Databases per page 20 « 1 »

apache-couchdb-3....msi
